

# 6 Reasons Organizations Choose Symphony by Paperwise

There's no shortage of document management platforms on the market. So why do thousands of organizations across industries keep choosing Symphony by Paperwise? It comes down to six things that most competitors simply can't match.

## Everything in One Platform

Document management, Intelligent Capture, low-code workflows, e-forms, and e-signature, one platform fee, no add-on surprises.

## True Intelligent Capture

Symphony doesn't just digitize documents. It reads, extracts, validates, and routes data automatically, reducing manual data entry by up to 85%.

## Deep ERP & CRM Integrations

Purpose-built, bidirectional integrations with Business Central, QuickBooks, Salesforce, and more. Not shallow API connections, real data flow.

## A Whole Team Behind You

You get developers, workflow specialists, integration experts, and business process professionals, not just a software license. 20,000+ users served.

## Flexible Deployment

Cloud-hosted with automatic updates. Need on-premises data storage? Symphony connects via API so you get modern capabilities without giving up data control.

## Transparent, Predictable Pricing

No per-module licensing. No renewal surprises. Just straightforward platform pricing that stays predictable as you grow.

Symphony isn't just a better document management platform – it's a better partnership. From implementation through ongoing optimization, the Paperwise team works alongside you every step of the way. See what over 20,000 users already know.
